① pytables almost implemented.

② Ask abt testing of ~~data in~~ code with data.

June 19, 2015

①

       → plot it
      → surrogate data
      → read every line of code & try to think what its doing
          → manytimes.
         → run it in your head.
