running code for `TriandAnd_all.45`

↳ calc median & Residuals. — 08:57 am

error!   09:14 am

↳ shape error again!

running again   9:17

↳ shape error   9:27
   again!

couldnot broadcast input array from shape (3) into shape (2)

↳ <u>solved</u>   error was for the last object!

`i` doesnot increment once for loop ends,
so it has to be incremented before we
process the last object.
